Community Renewal

Project Name	Project Description	Award
Create the Newark Regional Health and Wellness Center	Repurpose a large, underutilized site on the Erie Canal into a vibrant center of activity, providing up to 25 new jobs, and a much needed community space for residents. Elements of the project include medical offices, an indoor track and other sports facilities, and a community flex space.	\$3,340,000
Repurpose Coventry Commons	Convert a 90,000-square foot former manufacturing space into approximately 95 apartments and 5,000-square feet of community space.	\$2,000,000
Construct the Newark Canalside Hotel	Construct a 60,000-square foot, 98 room full-service hotel with a banquet and conference center.	\$1,985,000
Revitalize the Canal Port	Improve the port with a promenade including an amphitheater, farmers market, kayak/canoe launch, new utilities, and streetscape upgrades.	\$1,580,000
Redevelop the Historic Former Newark Hospital Building	Restore the former Newark hospital into mixed-income apartments.	\$795,000
