

A Master Plan for Aging for New York

Stakeholder Advisory Committee Meeting #2

FEBRUARY 22, 2023

Meeting Topics

- Common Priorities Identified
- Aging and Long-Term Care Landscape
- Defining the Path Ahead
- Public Engagement
- Next Steps

Consider the following:

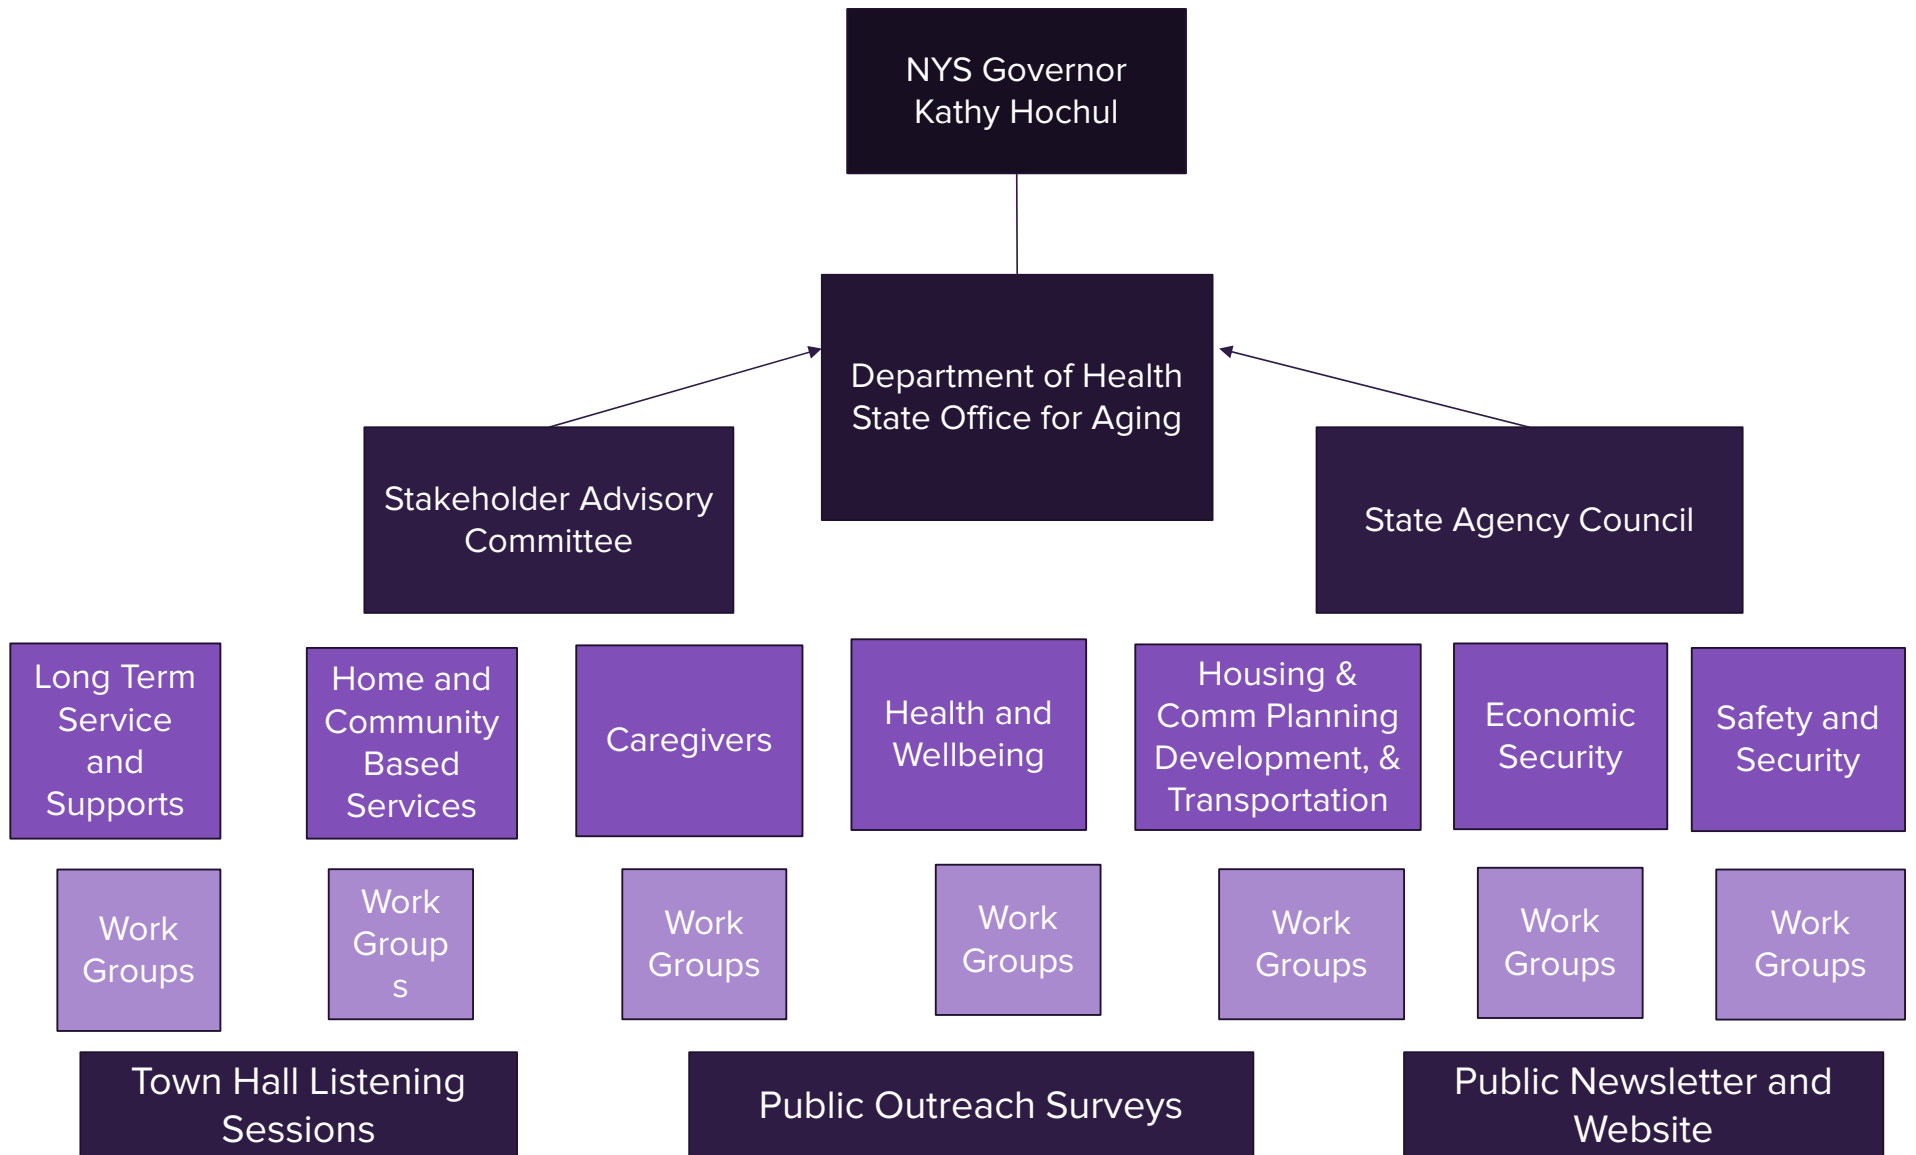

- What steps are needed to move the process forward and meet the objectives of the Master Plan?
- How can this committee ensure that the Master Plan process stays on track?
- Are you ready to commit the time and effort implied by your membership on this committee, including attending (virtually or in-person) all the SAC sessions?

Common Priorities Across Government, Private and Not-For-Profit Stakeholders

- Affordable and accessible housing
- Economic Security
- Disadvantaged communities
- Assistance for caregivers
- Technology access and design
- Public/private partnerships
- Social isolation
- Demographics matter
- Diverse population → Diverse solutions
- Sustainability

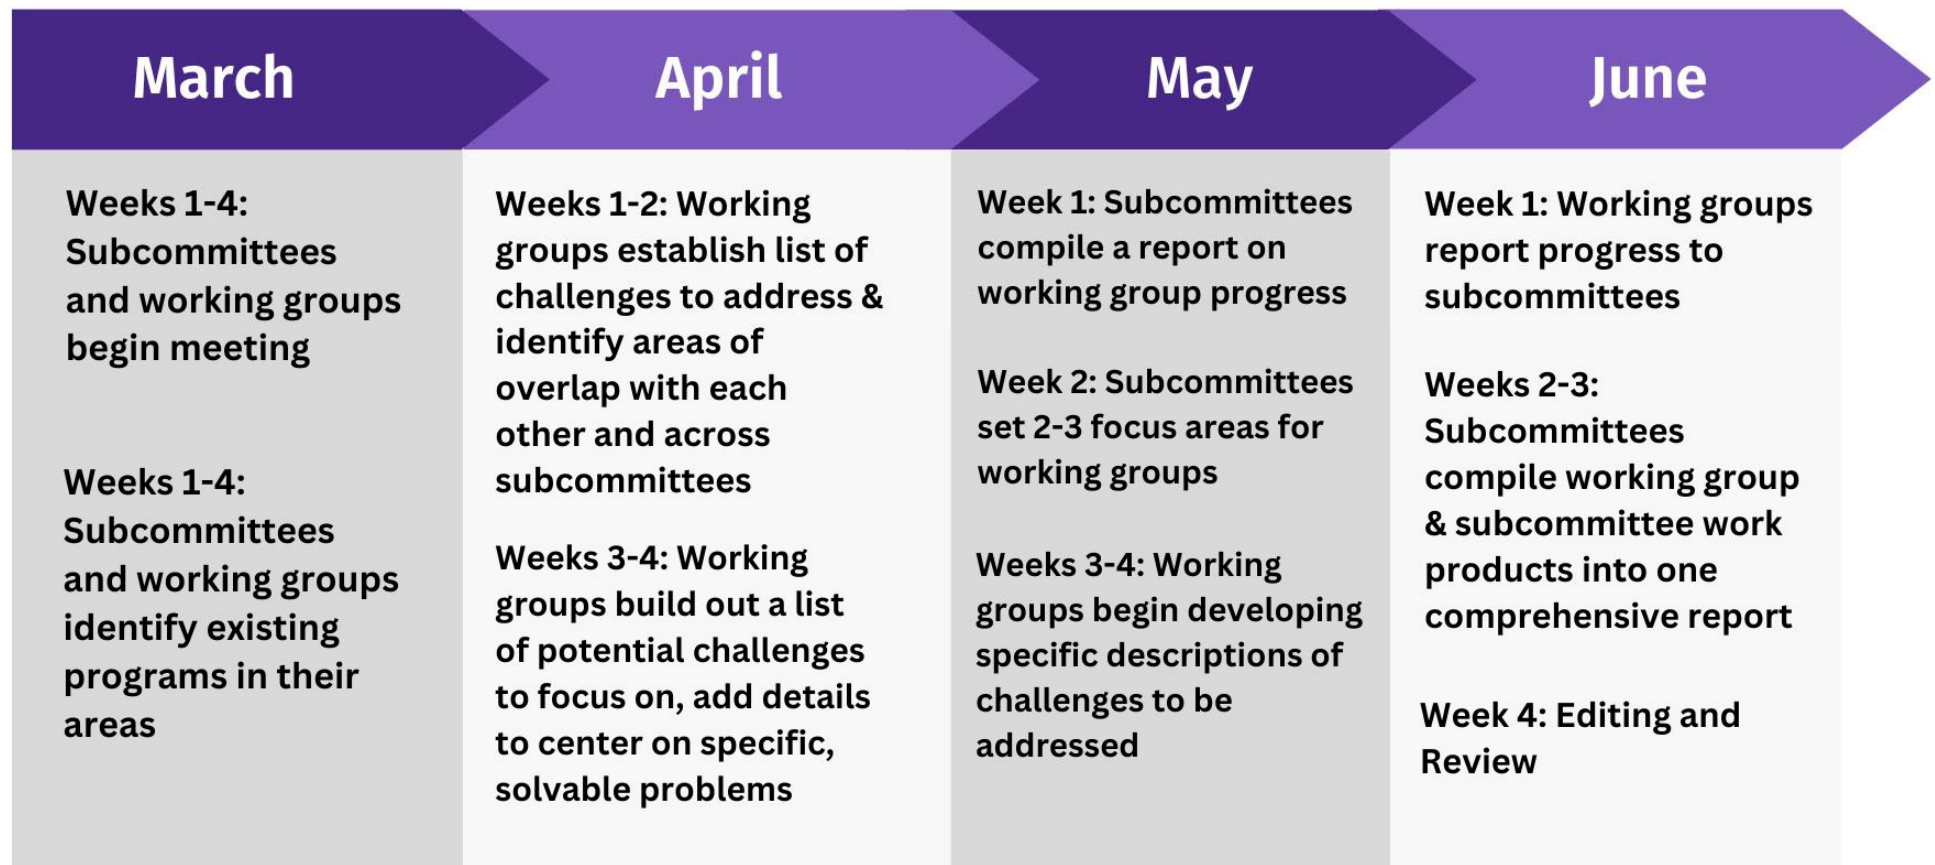

Aging and Long-Term Care Landscape

- Developing aging and long-term care landscape report
- Solicited feedback from health and aging related agencies
- Collecting feedback from State Agency Council
- Circulating our working draft, will provide updates as it evolves

Stakeholder Advisory Committee Charter

MASTER PLAN REPORT ROADMAP 2023

The Path Ahead

July Preliminary Report

- Identify priorities
- Organized by subcommittee and working groups
- Set agenda for next year of deliberations

The Path Ahead

State Agency Council

- Connect Master Plan concepts to existing programs
- Provide data/analytical support for process
- Connect policy ideas with existing structures
- Translate reports into actionable policy recommendations

The Path Ahead

Stakeholder Committee

- Prevent silos by facilitating collaboration
- Hold subcommittees/work groups accountable
- Forum for discussing progress and challenges
- Review and approve final reports
- Ensure big picture/operations alignment
- Commit to meeting attendance for two years

The Path Ahead

Subcommittees

- Establish working groups
- Drive cadence of workflow
- Help working groups narrow focus
- Compile working group outcomes

The Path Ahead

Working Groups

- Identify specific challenges
- Match challenges to existing landscape
- Identify solutions
- Draft policy proposals

Working Groups

Health and Wellness

- Alzheimer's Disease and other dementia disorders
- Mental/Behavioral health
- Addiction
- Nutrition

Planning for Town Halls & Remote
Listening Sessions

Statewide Surveys

Next Steps for the Stakeholder Advisory Committee

In advance of next Committee meeting:

- Consider the following:
 - How do Subcommittees collaborate on cross cutting issues?
 - How can the Stakeholder Advisory Committee help the Subcommittees stay on track?

The next meeting of the Stakeholder Advisory Committee will be held:

- Date: April 20, 2023
- Location: 90 Church Street, NYC and remote option
