# Guided Discussion

## Where We're Going

- **What are the goals that the Master Plan is working towards?**
- **How do we align the work of the different subcommittees?**
- Preliminary report
  - What do you want to see in the preliminary report?
- Taking this conversation to the subcommittees
  - What do we need to develop in order to adequately describe each of these problems for the report?

## Next Steps for the Stakeholder Advisory Committee

In advance of next Committee meeting:

Consider the following:

- Push your subcommittees to define the challenges and gaps they want to target with as much detail as possible; be prepared to review several draft challenges for inclusion in the preliminary report
- Assistance spreading the word about upcoming survey to the public and town halls

The next meeting of the Stakeholder Advisory Committee will be held:

- Date: June 6, 2023
- Location: 90 Church Street, NYC and remote option
