APPLICATION FOR YOUTH PARDON

For Applicants Convicted of an Eligible Non-Violent Crime Committed at Age 16 or 17

Complete this application form to apply for a youth pardon. A youth pardon is available to eligible applicants who were convicted under New York State law of a non-violent crime that was committed when the applicant was 16 or 17 years old.

You must meet seven eligibility requirements to be considered for a youth pardon:

1. You were convicted of a non-violent offense.
2. You were not convicted of a sex offense.
3. At least 10 years have passed since you were either convicted of the crime or released from a period of incarceration for that crime.
4. You have remained conviction-free since that time.
5. You must be a current New York State resident.
6. You must have paid taxes on any income.
7. You must be a productive member of your community, meaning that you are working, looking for work, in school, or legitimately unable to work.

If you receive this pardon, the New York State Office of Court Administration has stated that it will restrict public access to your criminal history, meaning that it will not be available to private employers, landlords or other companies that seek this information. You can find additional information about applying for clemency at: <https://www.ny.gov/services/apply-clemency>.

Unless there are exceptional and compelling circumstances, a pardon is generally not considered if the applicant has other administrative remedies available to them, such as a certificate of good conduct or a certificate of relief from disabilities, pursuant to provisions of Article 23 of the Corrections Law. For more information about these remedies and whether they can help you, please contact the Executive Clemency Bureau at (518) 457-7565 or the mailing address provided below.

If you need more space to complete any section of this application form, you may attach as many additional pages as you need.

Submit your completed application form by mail to the address below. Please also include copies of any additional documents supporting your application that you would like to provide, including documents that provide evidence for information included in your application. Supporting documentation may include, for example, copies of relevant court documents or immigration records; copies of employment records; and copies of letters of support from your community.
