

**2020 Census Public Hearing in Buffalo, NY**  
**Waterfront School, 95 Fourth St Buffalo, NY 14202**  
**April 18th 2019**

**By Steven Sanyu President of the Burmese Community Services, Inc. (BCS)**

**Support**      We, Burmese Community really supports and knows that the 2020 Census Count will get a lot of benefits for our local government and our communities.

**Changelings**      As new Americans, they do have many challenges including:  
Language Barriers  
Technology Barriers  
Lack of awareness the Government's systems and  
Many different ethnic minorities

**Plans**      We will need to  
(1) Educate  
(2) Promote and  
(3) Motivate for 2020 Census Count in the communities.

**Actions**      Explain how it is important and what benefits we will receive such as School systems,  
Medicaid/Social assistances, Street and Highway systems, etc.,  
Identify the Ethnicities and Languages  
Translation and Interpretation  
Find the partner Groups and Organizations (Active)

**Promote**      Share information with active groups and organizations through the communities  
Producing Social Media including TV and Internet

Thank you!
