

Christina, Parent

"How can we, as parents, help our children if we cannot understand ourselves how to figure out the problem or do it the way the curriculum is asking? Not every Childs brain thinks the way the common core is set up, it does not make them any less capable, or slow, or what have you. What happened to old fashioned learning techniques. When you walk into a store or interact

With people you are not going to sit there and figure out 50 different ways you can get change back. Get rid of the common core."
