

Andrea Pyros, Parent

Though I believe in having some common standards, I am concerned that there is a lack of focus on the importance of play, flexibility, fun, and imagination (such as the kids no longer read as much fiction) with these new, very strict standards. Let's let our teachers have more say in the classroom, allow the kids to dream and ENJOY school, and build skills through teamwork, hands-on learning and "doing," rather than memorizing. Thank you.
