

City of Glens Falls

Downtown Revitalization Initiative

Public Open House Workshop

Date:

Wednesday, January 25, 2017
6:30 pm - 8:30 pm

Location:

Crandall Public Library
251 Glen Street, Glens Falls, NY

Join your neighbors for an *open house workshop* to help plan the future of Glens Falls. The goal of this interactive workshop is to hear *public input on priority projects* to guide funding for economic development projects to continue the revitalization of Downtown.

The objective of the Glens Falls DRI plan is to:

- » Identify *economic opportunities and challenges* in Glens Falls.
- » Evaluate the *resources needed* to advance priority projects.
- » Estimate the *economic and community benefits* for each project.
- » Prioritize projects for DRI funding based on multiple factors, including *economic and community benefit, public support, and project readiness*.
- » *Speed implementation* of projects by developing conceptual plans, cost estimates, and other needed preliminary information.
