§ 239-bb. County-wide shared services panels. 1. Definitions. The following terms shall have the following meanings for the purposes of this article:

b. "County CEO" shall mean the county executive, county manager or other chief executive of the county, or, where none, the chair of the county legislative body.

c. "Panel" shall mean a county-wide shared services panel established pursuant to subdivision two of this section.

d. "Plan" shall mean a county-wide shared services property tax savings plan.

2. County-wide shared services panels. a. There shall be a county-wide shared services panel in each county consisting of the county CEO, and
one representative from each city, town and village in the county. The chief executive officer of each town, city and village shall be the representative to a panel and shall be the mayor, if a city or a village, or shall be the supervisor, if a town. The county CEO shall serve as chair. All panels established in each county pursuant to part BBB of chapter fifty-nine of the laws of two thousand seventeen, and prior to the enactment of this article, shall continue in satisfaction of this section in such form as they were established, provided that the county CEO may alter the membership of the panel consistent with paragraph b of this subdivision.

b. The county CEO may invite any school district, board of cooperative educational services, fire district, fire protection district, or special improvement district in the county to join a panel. Upon such invitation, the governing body of such school district, board of cooperative educational services, fire district, fire protection district or other special district may accept such invitation by selecting a representative of such governing body, by majority vote, to serve as a member of the panel. Such school district, board of cooperative educational services, fire district, fire protection district or other special district shall maintain such representation until the panel either approves a plan or transmits a statement to the secretary of state on the reason the panel did not approve a plan, pursuant to paragraph d of subdivision seven of this section. Upon approval of a plan or a transmission of a statement to the secretary of state that a panel did not approve a plan in any calendar year, the county CEO may, but need not, invite any school district, board of cooperative educational services, fire district, fire protection district or special improvement district in the county to join a panel thereafter convened.
3. a. Each county CEO shall, after satisfying the requirements of part BBB of chapter fifty-nine of the laws of two thousand seventeen, annually convene the panel and shall undertake to revise and update a previously approved plan or alternatively develop a new plan through December thirty-first, two thousand twenty-one. Such plans shall contain new, recurring property tax savings resulting from actions such as, but not limited to, the elimination of duplicative services; shared services arrangements including, joint purchasing, shared highway equipment, shared storage facilities, shared plowing services and energy and insurance purchasing cooperatives; reducing back office and administrative overhead; and better coordinating services. The secretary of state may provide advice and/or recommendations on the form and structure of such plans.

b. After having convened at least two meetings in a calendar year, a panel may, by majority vote, determine that it is not in the best interest of the taxpayers to revise and update a previously approved plan or to develop a new plan in such year. The county CEO of such panel shall then comply with the provisions of paragraph (d) of subdivision seven of this section.

4. While revising or updating a previously approved plan, or while developing a new plan, the county CEO shall regularly consult with, and take recommendations from, the representatives: on the panel; of each collective bargaining unit of the county and the cities, towns, and villages; and of each collective bargaining unit of any participating school district, board of cooperative educational services, fire district, fire protection district, or special improvement district.

5. The county CEO, the county legislative body and a panel shall accept input from the public, civic, business, labor and community leaders on any proposed plan. The county CEO shall cause to be conducted a minimum of three public hearings prior to submission of a plan to a vote.
of a panel. All such public hearings shall be conducted within the coun-
ty, and public notice of all such hearings shall be provided at least
one week prior in the manner prescribed in subdivision one of section
one hundred four of the public officers law. Civic, business, labor,
and community leaders, as well as members of the public, shall be
permitted to provide public testimony at any such hearings.

6. a. The county CEO shall submit each plan, accompanied by a certif-
ication as to the accuracy of the savings contained therein, to the
county legislative body at least forty-five days prior to a vote by the
panel.

b. The county legislative body shall review and consider each plan
submitted in accordance with paragraph a of this subdivision. A majority
of the members of such body may issue an advisory report on each plan,
making recommendations as deemed necessary. The county CEO may modify a
plan based on such recommendations, which shall include an updated
certification as to the accuracy of the savings contained therein.

7. a. A panel shall duly consider any plan properly submitted to the
panel by the county CEO and may approve such plan by a majority vote of
the panel. Each member of a panel may, prior to the panel-wide vote,
cause to be removed from a plan any proposed action affecting the unit
of government represented by the respective member. Written notice of
such removal shall be provided to the county CEO prior to a panel-wide
vote on a plan.

b. Plans approved by a panel shall be transmitted to the secretary of
state no later than thirty days from the date of approval by a panel
accompanied by a certification as to the accuracy of the savings accom-
panied therein, and shall be publicly disseminated to residents of the
county in a concise, clear, and coherent manner using words with common
and everyday meaning.

c. The county CEO shall conduct a public presentation of any approved plan no later than thirty days from the date of approval by a panel. Public notice of such presentation shall be provided at least one week prior in the manner prescribed in subdivision one of section one hundred four of the public officers law.

d. Beginning in two thousand twenty, by January fifteenth following any calendar year during which a panel did not approve a plan and transmit such plan to the secretary of state pursuant to paragraph b of this subdivision, the county CEO of such panel shall release to the public and transmit to the secretary of state a statement explaining why the panel did not approve a plan that year, including, for each vote on a plan, the vote taken by each panel member and an explanation by each panel member of their vote.

8. For each county, new shared services actions not included in a previously approved and submitted plan pursuant to this section or part BBB of chapter fifty-nine of the laws of two thousand seventeen, may be eligible for funding to match savings from such action, subject to available appropriation. Savings that are actually and demonstrably realized by the participating local governments are eligible for matching funding. For actions that are part of an approved plan transmitted to the secretary of state in accordance with paragraph b of subdivision seven of this section, savings achieved from January first through December thirty-first from new actions implemented on or after January first through December thirty-first of the year immediately following an approved and transmitted plan may be eligible for matching funding. Only net savings between local governments for each action would be eligible for matching funding. Savings from internal efficiencies or any other action taken by a local government without the participation of another local government are not eligible for matching funding. Each county and
all of the local governments within the county that are part of any action to be implemented as part of an approved plan must collectively apply for the matching funding and agree on the distribution and use of any matching funding in order to qualify for matching funding.

9. The department of state shall prepare a report to the governor, the temporary president of the senate and the speaker of the assembly on the county-wide shared services plans approved by the county-wide shared services panels created pursuant to part BBB of chapter fifty-nine of the laws of two thousand seventeen and this article and shall post the report on the department's website. 10. The secretary of state may solicit, and the panels may provide at her or his request, advice and recommendations concerning matters related to the operations of local governments and shared services initiatives, including, but not limited to, making recommendations regarding grant proposals incorporating elements of shared services, government dissolutions, government and service consolidations, or property taxes and such other grants where the secretary deems the input of the panels to be in the best interest of the public. The panel shall advance such advice or recommendations by a vote of the majority of the members present at such meeting.

It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.
