Please address the issue of the APPR, Common Core AND too many standardized tests ALL at once.

Our children are not developing as SOLID LEARNERS and SOLID PEOPLE of SOLID CHARACTER by being tested SO often.

Many teachers are no longer passionate about teaching - too much testing less teaching.

ENFORCE getting rid of poor teachers but NOT AT THE EXPENSE of CHILDREN.

They need to retire or resign.

How about testing EVERY OTHER YEAR?

YOU are an ELECTED official. It is your duty to manage these situations.

LISTEN, TAKE DECISIVE ACTION and CORRECT this.

Some testing, not excessive testing is what makes sense.

This is the 6th time I have written to you. You have NEVER - not ONCE - responded.
