

Catherine Libonati, Parent

I AM QUITE DISAPPOINTED IN HOW CHILDREN ARE BEING TAUGHT IN SCHOOL TODAY. THE TEACHERS ARE HAVING TO SPEND TOO MUCH TIME TRYING TO TEACH THE KIDS A MUCH MORE COMPLICATED INEFFECTIVE SYSTEM FOR MATH. IT'S NOT ONLY A WASTE OF TIME, THE KIDS LOSE INTEREST QUICKLY, TEACHERS ARE FRUSTRATED, AND PARENTS ARE BESIDE THEMSELVES.

I WILL CONTINUE TO OPT MY 9 YR OLD OUT OF THE STANDARDIZED TESTING AS LONG AS THIS SYSYTEM CONTINUES.
